Tree of Life

“We make a Living by what we get, but we make a Life by what we give.”

At The Washington Hospital, caring for people is our foremost concern. Since the hospital opened its doors in 1897 and initiated a lasting partnership with the public, “caring” has taken on a much larger meaning than just providing for the healthcare needs of our community.

The hospital has grown to become a resource for education, emotional support, Hospice care, home health services, and life planning information. At the same time we have continued to provide state-of-the-art healthcare services, the highest quality medical equipment, and an outstanding medical staff.

Your partnership in our “caring” mission enables the hospital to continually strive to meet the needs of our community. It is through your financial support that you can strengthen your role in our progress.

The Washington Hospital’s “Tree of Life”, a beautiful bronze tree located in the hospital’s main lobby, is a special way you can support the hospital and, at the same time, receive visible recognition for your thoughtfulness.

Each leaf or stone on the tree sculpture bears the names specified by donors who have generously contributed $1,000 or more to the hospital.

All “Tree of Life” gifts will be used to meet the hospital’s ongoing capital expenditures unless specified otherwise. If you desire, you may restrict your contribution to support a specific program or service. Individuals, groups, families, and corporations may add their names to the “Tree of Life” indicating their partnership in our future.

I wish to make a gift to The Washington Hospital by inscribing:
